### The Medical Home

The American Academy of Pediatrics states patient care in a **Medical Home** is "accessible, continuous, comprehensive, family centered, coordinated, compassionate and culturally effective." While this definition makes sense, the healthcare delivery system we have all built does not make it easy. We all know change must take place, the Medical Home is the right place to start. To learn more about the Medical Home, visit our site at <http://www.ehcark.org/>

**8:00am-8:30am**

#### **Continental Breakfast**

**8:30am-9:00am**

#### **Welcome**
